Hi Izabella -

The meeting on 3/13 will be located at the Lincoln Heights office, located at 3510 N Broadway, Lincoln Heights, CA 90031. The meeting is from 12p - 1:30p and lunch will be served. Let me know what time we can expect the Controller.

I am attaching the State of the BIDs Report, which outlines key information on BIDs in the City. I would imagine a relevant topic would be the BID audit.

I will also ask the Consortium members if they have other specific questions and send in advance.

Let me know if you need any other information at the moment - and thanks so much again!

Best,

Good morning Jessica,

That's great news!

Yes, we had originally received March 11th as the date. Glad to hear it's the 13th. He is available that day.

When you get a chance, could you please email us the location of the meeting and any additional info that we may need?

Thanks for all of your help!

Hi Izabella -

Thank you for your email - and no apologies necessary!

I just wanted to clarify that the meeting is on Thursday, March 13 from 12p - 1:30p. You had mentioned March 11 in your email, and I just wanted to sure there wasn't a miscommunication.

If he is still not available, I'm in the process of trying to follow-up with a couple of requests that were already put out, so will get you back dates ASAP. We meet the second Thursday of each month from 12p - 1:30p. If there is a month that stands out as working well, let me know.

Thanks so much - the Consortium is very excited to host him.

Jessica

Hello,

My name is Izabella and I work with Daniel at Controller Galperin's Office.

My apologies for getting back to you so late regarding the Controller speaking at the March 11th meeting.

Unfortunately, he will not be able to make that date....as he will be traveling. Could we please come up with a new date for the Controller to attend?

Sorry about the inconvenience. Please feel free to call us to see about finding a new date.

Thank you,
Izabella

Hello and Happy New Year, Daniel. Just as a reminder, we met at the Kindel Gagan reception for Controller Galperin on December 3, when I mentioned having the Controller speak at an upcoming meeting of the LA BID Consortium. I have checked with my colleague Jessica Lall, cc'd here. Jessica is the ED of the South Park BID and also the chair of the Consortium. We'd like to extend an invitation for Ron to speak at the March 11 meeting, at noon.

Jessica, you can fill in the blank regarding location of the March meeting.

Daniel, please let us know if Ron can do this. I am positive he will find a warm and receptive audience. Thanks.
